- Career Training and Placement
- Advocacy for individuals involved with Judicial System
- Medical/Educational/Law Enforcement Collaboration
- Child Protective Services Referral Source
- Data Gathering, Tracking & Sharing

## OUR HISTORY

The concept of HAWC was created by our founder Craig Hettlinger in December 2018, seeing the need for a holistic approach for the community in the Tri State area. From active addiction to long-term recovery, Craig began to build the design of the program, through his life experiences, on what remains effective today. Huntington Hospitalist Group joined HAWC in Spring 2020 to provide MAT and Primary Care to our clients.
